Disciplined Beauty:

Founded in Park Slope, Brooklyn in the second semester at SVA, moved to 5th Ave. and E21st Street, NYC from 1995-2000. Organized and developed corporate identity programs and standards, printed material; advertisements, brochures, magazines, annual reports, websites, environmental interior and exterior designs and architectural signage. Started the firm after being awarded design retainers with some on NYC's prestigious legal and accounting firms, and medical institutions.

11211 & 10003 Magazines:

Founded and operated *11211 Magazine* (in Williamsburg | Brooklyn), *TheBoxMap*, *Appetite*, *Fortnight*, *10003 Magazine* from 2000-06) with 70K from personal savings. Started a new pop-surreal art movement : Offalism. Worked with over 3,500 business owners there with sales, meetings, contracts, insertion orders and resolved concerns and generated profit. Entertained owners by hosting dinners and performing mass presentations, community events and a mini-Chamber of Commerce.

Williamsburg Concierge:

New Media project developed regarding multiple website properties, and TV screens and kiosks at high traffic venues, outdoor media and other public locations 2006. Moved back to NYC in 2008 and went back to private consultancy on design projects such as; (SEO) Search Engine Optimization, Social Media, and have developed and applied a honed skill set in hypnosis, neurochemical reactions, emotional frequencies, nutrition and the VALs and PRIZM methods of marketing.
